

### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert P. Lord, Registration No. 46,479, on May 14, 2008.

The application has been amended as follows:

48. (Currently Amended) The system of claim ~~[[46]]~~ 40, wherein the recursive submethod further comprises:

responsive to the recursive submethod returning the transaction list, adding the selected transaction to the returned transaction list to generate a modified transaction list, and returning the modified transaction list; and

responsive to the recursive submethod returning the indicator that no match was found, performing the steps of:

responsive to any transactions remaining in the modified second input parameter, repeating the recursive submethod steps; and

responsive to no transactions remaining in the modified second input parameter, returning the indicator that no match was found.
